

The 21ST Century HR Solution™

*Where Modern Technology
Meets the Service-Oriented Broker*

 **CorpStrat**

Today's business owners need advanced tools to manage their business.

That's why CorpStrat developed a fully-integrated business services solution that combines payroll, benefits, and compliance tools, integrated with our HR automation software.

Payroll

Business payroll managed by real people. We get the software to do all the number work, and a business-savvy support specialist provides help, strategy, and solutions.

Benefits

Experienced brokers you can trust. When it comes to benefits the secret is having a broker who knows the ins-and-outs of your business, as well as insurance companies.

Compliance

We're based in California, with the know-how to help California companies. Get expert assistance with your HR policies, employee handbooks, and state compliance procedures.

Automation

CorpStrat simplifies the management of payroll, onboarding, and compliance with integrated HR management tools like timekeeping and employee communications.

Everything you need in one solution.

Payroll Made Seamless

Payroll services without the red tape. Every CorpStrat Payroll client has a direct line of contact to their CorpStrat payroll account specialist, which means you're never on hold with a call center.
